

Fluffy Mohair Cowl

The sample was crocheted with one skein of Cascade Kid Seta (300 yds, 61% super kid mohair, 35% silk, 4% wool), using a size US L, 8 mm crochet hook.

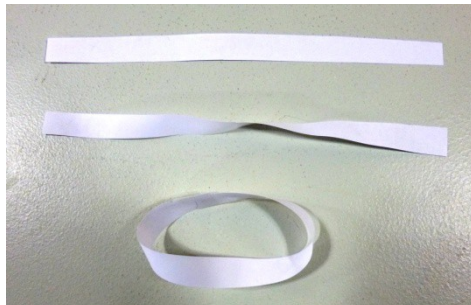

To begin, foundation single crochet 112 stitches. (I suppose you could just make a foundation chain, but the foundation single crochet makes the

next step a little easier.)

Make a half twist in the foundation and join for working in the round.

Like this:

Now just single crochet until you run out of yarn.
